

The Government of Canada will phase out cheques by April 2016

Say “YES” to direct deposit

It's time to get your tax refund faster! The Government of Canada will increase the use of direct deposit by slowly phasing out federal government cheques by April 2016. Don't let your business fall behind—sign up for direct deposit today!

Direct deposit is fast, reliable, and secure. Signing up for direct deposit means you will receive your money sooner in your account.

Why direct deposit?

Direct deposit has many advantages over paper cheques. Direct deposit is:

- **Faster** – you don't have to wait for a cheque to be issued and mailed.
- **Reliable** – you can be sure that your money is deposited into your account.
- **Secure** – there's no risk that your payments will be lost or sent to the wrong address.
- **Paperless** – it's better for the environment.

How do I sign up?

Just fill out the enclosed direct deposit request, Form **RC366, *Direct Deposit Request for Businesses***, and send it in the prepaid envelope. It's that easy!

Why sign up?

Even if your business rarely receives refunds, it's still worthwhile to sign up for direct deposit. Your business might be eligible for one of these refunds:

- Corporation instalment overpayments
- Hiring credit for small business
- Goods and services tax/harmonized sales tax (GST/HST) refunds or rebates
- Canada Pension Plan/employment insurance (CPP/EI) overpayments
